I hope the Boers will capture him and give him an immediate trial.

Alarmed at Situation at Mafeking and Ladysmith.

London, Jan. 1.—In the absence of confirmation of the reported sortie from Ladysmith, that story is discredited. No such hopeful view can be taken as the Boer account of the Mafeking sortie seems designed to convey. No word regarding any such movement has yet arrived from British sources, and the feeling of suspense is deepening, as it is feared Colonel Baden-Powell's silence indicates that his position is becoming desperate.

The dispatches from the front breathe a confident spirit which is by no means echoed here. The latest Ladysmith advices show that the Boers' shelling is heaving media. They also flooded the mine. They also flooded the mine.

## POPE LEO DESIGNATES HIS SUCCESSOR, CARDINAL GOTTI

Rome, Dec. 31.-It is as ed that the pope, after the recent ceremony of opening the holy door at St. Peter's cathedral, addressed his intimate entourage and said:

"I thank Divine Providence for granting me the grace of being able to celebrate this great function, and I wish for my successor grandeur and long reign, to the greater glory of God. "My successor will be young, as compared with my own age, and will

have time to see many glories of the papacy and the church.' Later, Leo clearly designated Cardinal Cirolemano Maria Gotti, prefect of the congregation of indulgences and sacred relics, as his successor. Cardinal Gotti, the famous Genoese monk, is a man of great piety and modesty. Now about 64 years of age, he always lived the life of an ascetic, and despite the dignity of a prince of the church, he always sleeps in a cell and on a

### PREACHER MAYNARD'S ENEMY **EJECTED BODILY FROM CHURCH**

(Special to The Herald.)

Denver, Dec. 31.—An unusual scene in a church was witnessed this morning at the Broadway temple when the congregation hissed a prominent member and ended by ejecting him from the church.

Last Sunday a sensation was caused after the regular morning service by the reading of a letter charging the Rev. Mr. Maynard, formerly of Salt Lake, who has preached for the congregation for several weeks, with drunkenness. As Mr. Maynard had been well thought of up to that time it was a shock to those who wanted to give him a permanent call. The specific charge was that Mr. Maynard had been arrested on the streets of Grand

This morning when Trustee H. P. Steele was making the statement of the church board exonerating Mr. Maynard and extending to him a permanent offer, Mr. Stanton, the leader of a faction opposed to Maynard, arose to object to some statements. He was promptly hissed down but again broke out when a rush was made for him by two strapping members and he was ejected amid considerable uproar.

McCoy has selected as his place during the battle the southwest corner, which Sharkey occupied in his fight with Jeffries. Maher will have the northeast corner.
